

## Investor Relations policy

Ringkjøbing Landbobank ranks the bank's Investor Relations policy highly, both to ensure openness regarding the bank and to ensure that there is a constructive dialogue with the bank's shareholders and investors and other interested parties for the purpose of creating a basis for a fair valuation of the Ringkjøbing Landbobank share and the bank's other issues.

Ringkjøbing Landbobank's goals are to inform

- the stock exchanges on which the bank has listed issues,
- current and potential shareholders and investors,
- share analysts and stockbrokers, and
- other interested parties,

quickly and accurately of price-relevant and other circumstances in the bank.

The goals are met by the bank's publishing the information which can be price relevant, firstly on Nasdaq Copenhagen and other stock exchanges, and immediately thereafter on the Investor Relations pages of the bank's website. Other relevant information is also made available on the Investor Relations pages on the bank's website.

Communication with shareholders and investors as well as other interested parties is, as a general rule, handled exclusively by the general management. However, the general management may delegate this responsibility to senior employees, thereby authorizing them to communicate with the aforementioned stakeholder groups.

The goal of publishing information to the stock exchanges on which the bank has listed issues, to the shareholders of the bank, investors and to other interested parties is to

- comply with current information obligations
- ensure openness concerning the bank
- ensure a healthy and positive dialogue with the bank's interested parties
- increase awareness of Ringkjøbing Landbobank in investor circles in Denmark and abroad
- provide investors with structured, ongoing and planned information which meets their needs regarding investment decisions on the Ringkjøbing Landbobank share and other issues
- increase liquidity of the Ringkjøbing Landbobank share

The information given to shareholders, investors and other interested parties is provided in accordance with the current stock exchange code of ethics.

Ringkjøbing Landbobank wishes to

- issue quarterly and half-yearly reports,
- issue annual reports, including management reports,
- reply to inquiries concerning the above,
- do its best to accommodate requests from investors, analysts and other interested parties to meet its general management and/or Investor Relations department, and
- provide relevant information to the bank's shareholders, investors and other interested parties in both Danish and English.
